Shalom

Dietary Department

The Shalom Dietary Department prepares meals for approximately 185 residents (long term care and retirement) in 6 dining rooms as well as the local community through the Meals on Wheels Program. We take pride preparing home cooked ethnic meals while utilizing ingredients purchased from suppliers within our supporting community whenever possible. The department consists of approximately 50 staff which include a Nutrition Manager, a Food Service Supervisor, Cooks, Food Service Workers and a Registered Dietitian

The Nutrition Manager is responsible for the Dietary Dept.

Responsibilities include: menu planning, clinical nutritional care lead, monitoring resident food and fluid intake, completing documentation and assessments, and communicating resident nutritional needs to staff.

The Food Service Supervisor reports to the Nutrition Manager.

Responsibilities include: menu planning and recipe creation, food and supply orders, organizing food production in the home.

Job requirements:

- Food Service & Nutrition Management Diploma from a community college
- Member in good standing in the Canadian Society of Nutrition Management (CSNM)

Job requirements:

- Degree in Human Nutrition & Dietetics from a University
- Member in good standing with Dietitians of Canada

Registered Dietitian is a contracted service.

Responsibilities include: menu planning, monitoring resident food and fluid intake, completing documentation and assessments for high risk residents, and ordering special diets and food textures.

Cooks work in the main kitchen, working early mornings, afternoons, week days & weekends.

Responsibilities include: preparing all food items for all diets and textures in the home utilizing safe food handling techniques, and preparing special food textures that are safe for residents with chewing and swallowing concerns.

Job requirements:
- Completion of Red Seal Chef or Culinary Management from a community college (Lead Cook only)
- Maintaining a valid Safe Food Handler Certificate

Food Service Workers (Dietary Aides) work mainly in the serveries, mornings, afternoons, evenings, week days & week-ends.
Responsible for:
- Maintaining a clean and organized home kitchen in each resident home area (independent work)
- Preparing for meal service, serving the meal prepared in main kitchen to the residents ensuring that each resident's individual needs are met (team work)
- Cleaning up after meal service – washing dishes, cleaning dining room and kitchen. (independent work)

Job requirements:

- Completion of Food Service Worker Program from a community college is an asset but no longer required by the Ministry of Health
- Maintaining a valid Safe Food Handler Certificate
