

## Chart of Giving

Together, we can fulfill the **Legacy of the Heart** Campaign for Faithstone Manor & Gardens. This Chart of Giving is a tool for donors considering a gift commitment and shows the annual and monthly details of giving at a variety of levels, including illustrating the actual cost based on tax credits we are eligible to claim on our tax returns in Canada, depending on your financial situation.

Revenue Canada provides tax credits for donations to charitable organizations. The table above makes the following assumptions: the contributor is an individual as opposed to a corporation, the credit is approximately 44% of the total donation. Your actual cost is 56% of the donated amount. We encourage you to seek professional advice regarding your own financial situation.
