Blooms of Honour

Gratitude Giving
from Mother's Day to
Father's Day

"Honour your father and your mother,
so that you may live long in the land
the Lord your God is giving you."

Exodus 20:12

Give a Gift of Honour

Honouring our parents is a lifelong calling - one rooted in love, gratitude and faith.

From Mother's Day to Father's Day, we invite you to take part in our *Blooms of Honour*; a new campaign dedicated to bringing comfort and life enriching care to our seniors.

This year, your gift offers a meaningful opportunity to create spaces of connection and peace within the courtyards of our homes.

Where Will Your Giving Bloom?

Your gifts will support places where residents can experience the restorative gift of fresh air, connect with loved ones and find renewal in both community and creation. You can choose to direct your gift to either location. Each gift ensures the relational care we cherish continues to bloom!

Shalom - Grimsby

Help us create a new, accessible seating area in our existing gardens. The need: \$40,000.

Faithstone - Hamilton

Support the construction of our garden and courtyard. The need: \$100,000.

Just as a tulip returns year after year, the love of a parent provides a lasting foundation for our lives. This spring, we invite you to honour those who raised you by helping us bless our elderly for generations to come.

Blooms of Honour

Choose Your Bloom

As a symbol of honour, the name of a parent, grandparents or friend can be written on our paper tulips to honour the gifts received. These tulips will adorn the glass windows and other places to form our "Garden of Honour" during this special season of giving.

Ways to Give Blooms

- \$100 gift or \$10 per month: Recognizes your loved one with a personalized honorary tulip
- \$250 gift or \$20 per month: The above plus a tulip bulb planted next season
- \$500+ gift: The above plus, if wished a digital bloom "story" highlight on social media featuring a photo of your loved one

We hope to digitally show the progression of blooms being added to our Garden of Honour throughout the campaign

Give the Gift of a Bloom!
